

RESOLUTION APPROVING THE DEFINITIVE LIST OF CANDIDATES ADMITTED TO AND EXCLUDED

CODE REF. 2513 RESEARCHER NEUTRON INSTRUMENTATION

Having regard to the **RESOLUTION OF 09 JANUARY 2026** of the executive director of ESS BILBAO CONSORTIUM, approving the public call for the provision of one (1) research staff position under a permanent employment contract for the ESS BILBAO CONSORTIUM.

GENERAL PROVISIONS (As set out in the terms and conditions of this call for proposals)

A selection process is hereby convened for the provision, under a permanent employment contract, of the following research staff vacancy listed in Annex II of this call.

- Number of positions: 1 – **Ref. 2513 – RESEARCHER NEUTRON INSTRUMENTATION**
- Academic qualification: PhD in Science (Physics or Chemistry) / MS Physics or Chemistry / MS Electronics Engineering or similar
- Budget allocation: One position budgeted based on the Resolution of 9 July 2024 of the Undersecretariat for Science, Innovation and Universities, assigning four research staff positions as permanent labour personnel to the ESS Bilbao Consortium.
- Employment contract: Permanent. In all cases, the contract shall be expressly linked to the duration of the ESS Bilbao Consortium that supports it and shall expire with it.
- The project associated with this call is defined in Annex II. Under no circumstances may the signed contract be used to carry out a project other than the one stated in this call.
- Grounds for termination of the contract, in addition to those linked to the duration stated, shall include the early completion of the project, lack of funding, or failure to pass the probationary period.
- The incompatibility regime applicable to the position shall be the general regime established in Law 53/1984 of 26 December on incompatibilities of public administration staff.
- The selective process shall be conducted through the merit-based selection procedure (competition), in accordance with the provisions set out in Annex I.
- The description of the functions to be performed by the selected candidate is detailed in Annex II of this call.
- The position will be located at the facilities of the ESS Bilbao Consortium in Zamudio.
- Upon completion of the selective process, the successful candidate who has demonstrated compliance with the required eligibility criteria shall be hired under a permanent employment contract.

ADMISSION OF APPLICANTS TO THE PROCESS

Once the application submission period has ended, the convening body shall issue a resolution approving the lists of admitted and excluded applicants. In said resolution, which must be published at least on the notice board at the headquarters of the ESS Bilbao Consortium and at <http://www.essbilbao.org>, a period of **five working days** counted from the day following its

publication shall be established in order to correct the defect that led to their exclusion or omission from said lists.

Under no circumstances may this period be used to add, complete or modify the documentation submitted with the initial application, except for the documentation attached by the candidate within the correction period to remedy, where applicable, correctable defects.

Once the aforementioned five working-day period has ended, and in the event that modifications have occurred, these shall be displayed in the same places as the initial lists, that is, at least on the notice board at the headquarters of the ESS Bilbao Consortium and at <http://www.essbilbao.org>.
